Professional staff-"This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Wyoming Medical Center and Community Education and Wellness Partners. Wyoming Medical Center is accredited by the ACCME to provide continuing education for physicians. Wyoming Medical Center designates this educational activity for a maximum of - AMA PRA Category 1 credit. Physicians should only claim credit commensurate with the extent of their participation in the activity."

Registered Dietitians an application for contact hour application has been submitted.

Heart Smart - Heart Healthy Conference 2012

This conference is intended for all health care professionals providing peripheral vascular, cardiovascular and diabetes care.

Program Goal: Participants will be able to utilize the presented evidence based best practice strategies to develop innovative ways to provide excellence in patient care, education and to support improved patient outcomes.

Session Objectives: At the end of each session participants will be able to:

1. Identify the benefits of 360 degree blood glucose testing. Identify potential cost saving to patients
2. Identify the rationale for care and treatment options for patients with neuropathy from peripheral vascular disease and diabetes
3. Identify the cardio-vascular indications and options for early treatment of atrial fibrillation
4. Identify the rationale behind translational research and the indication for use of Incretin therapy in diabetes
5. Identify the new agents for acute coronary syndrome treatment. Present evidence based special considerations in diabetes
6. Identify medication options for the cure and treatment of Type I Diabetes
